SCHOOL MISSION

At Shady Spring Elementary our mission is to work collaboratively with all stakeholders to foster a safe, supportive, and caring environment where students are challenged with a rigorous instructional program that is student-centered and data-driven.

SCHOOL VISION

At Shady Spring Elementary our vision is to provide a supportive and inclusive school culture that prepares students to be productive citizens who think critically, problem solve creatively, advocate for themselves and others, and positively contribute to their community.

Shady Spring Elementary School, est. 1977
